ASTONDOA 102 GLX ASTONDOA - KIRIOS

Motor Yacht 'Kirios' was built by Astondoa in Spain at their modern shipyard in Santa Pola, Alicante. The yacht was delivered to its owner in 2007, and has been fully refitted in 2015 before starting its first charter season. The luxury vessel's sophisticated interior and exterior design, as well as its high engineering technology, makes it one of Astondoa Shipyard's best creations.
