

CNM CONTINENTAL 50 TENDER

DOUBLE K

CNM CONTINENTAL 50 TENDER - DOUBLE K

This boat was designed and built in Italy. This explains why the lines are amazing and all details have been well considered. The boat has two hydraulic side doors that offer even more deck space once the boat is anchored. Sunscreens can be installed both on the fore- and aft deck. The boat is powered by 2 X 800 HP MAN engines that can produce a top speed of 38 knots. The Alpine sounds system enables guests to have a little party on board after lunch.
