DE ANTONIO D34 - CEA III

The De Antonio D34 is a versatile and contemporary open yacht from the Spanish shipyard De Antonio Yachts, blending innovative design with impressive livability in a compact size.

Its clean, modern walkaround layout provides a spacious and multifunctional deck featuring generous sunbathing areas at the bow and stern, outdoor dining spaces, and comfortable seating—particularly enhanced by its side terraces that open outward to dramatically expand the cockpit and create an even more open, welcoming platform—making it ideal for enjoyable days on the water with friends or family in a premium, unobstructed environment thanks to the hidden outboard engines.
