SIR HOTELS

WATERDREAM CALIFORNIA 65 - SIR HOTELS

With the 65'California, Waterdream sets a new benchmark for boats up to 20 meters in length. To do this, only the best materials have been used and the boat can be fully tailored to the customer's wishes.

The entire boat is handcrafted from high-quality aluminum in the Netherlands. The precise and crisp lines of the design are the sign of an elegant model, an elegant silhouette that exudes dynamic elegance. It offers a large and spacious upper deck, along with an equally impressive interior space. Below deck we find a double bed, a shower, kitchen and toilet. There is also a room to rest.

Truly a joy to behold and to enjoy!
